## FROM THE PASTOR'S DESK

*My Dear Friends,*

Last week, I asked the children at the 9:00 a.m. Mass, "what is one way that we can increase our faith?" One of the kids said, "pray more," while another said, "go to Mass," and then one child said, "pray the rosary!" Little did this young man know that I already had my rosary in my hand to use that as an example of how to increase our faith as the disciples asked Jesus to do in last week's gospel.

October is the Month of the Rosary. The rosary is such a powerful spiritual weapon that demons shake when we take it up and start praying. One of the things I emphasized to the children last week and to all the parents present was that praying the rosary as a family is one of the most powerful and profound things we can do in our homes. So many of us remember praying the rosary when we were children with our parents and siblings. Now more than ever, the Church needs an army of families praying the rosary together.

This month marks 20 years since Saint John Paul II wrote his Apostolic Letter on the rosary, *Rosarium Virginis Mariae*, and gifted us with the Luminous Mysteries. In this letter, he explained the importance of families taking up the rosary:

*...the family, the primary cell of society, increasingly menaced by forces of disintegration on both the ideological and practical planes, so as to make us fear for the future of this fundamental and indispensable institution and, with it, for the future of society as a whole. The revival of the Rosary in Christian families, within the context of a broader pastoral ministry to the family, will be an effective aid to countering the devastating effects of this crisis typical of our age. (6)*

*As a prayer for peace, the Rosary is also, and always has been, a prayer of and for the family. At one time this prayer was particularly dear to Christian families, and it*

*certainly brought them closer together. It is important not to lose this precious inheritance. We need to return to the practice of family prayer and prayer for families, continuing to use the Rosary...*

*The family that prays together stays together. The Holy Rosary, by age-old tradition, has shown itself particularly effective as a prayer which brings the family together. Individual family members, in turning their eyes towards Jesus, also regain the ability to look one another in the eye, to communicate, to show solidarity, to forgive one another and to see their covenant of love renewed in the Spirit of God. (41)*

These words written by this saintly pope two decades ago still carry the same weight today. Our society is trying so very hard to destroy the family, yet we have the antidote! Praying together, praying the Holy Rosary together, in our homes is the most effective way to keep the eyes of our children firmly fixed on Jesus and Mary. Take the time with your families this month to sit down and pray the rosary. Maybe praying all five decades may be too much for the little ones. Pray one decade. Then slowly start going to two decades and so forth. Explain each mystery to your children. Let them get caught up in the wonder of the mysteries of Jesus' life. There are so many creative ways in which we can take up the rosary as a family no matter how young the children are. I pray that during this month of October all our families may slowly start to build this "army of prayer" with the Holy Rosary as our spiritual weapon to overcome the ills of this world and guide us all to Jesus.

*God bless you all,*

## DEL ESCRITORIO DEL PÁRROCO

### *Mis Queridos Amigos,*

"La semana pasada, les pregunté a los niños de la misa de las 9:00 am, "¿cuál es una forma en que podemos aumentar nuestra fe?" Uno de los niños dijo: "rezar más", mientras que otro dijo: "venir a misa", y luego un niño dijo: "¡rezar el rosario!" Poco sabía este joven que ya yo tenía mi rosario en la mano para usarlo como un ejemplo de cómo aumentar nuestra fe al igual que los discípulos le preguntaron a Jesús lo que hacer en el evangelio de la semana pasada.

Octubre es el mes del Rosario. El rosario es un arma espiritual tan poderosa que los demonios tiemblan cuando lo tomamos y comenzamos a orar. Una de las cosas que enfatiqué a los niños la semana pasada y a todos los padres presentes fue que rezar el rosario en familia es una de las cosas más poderosas y profundas que podemos hacer en nuestros hogares. Muchos de nosotros recordamos rezar el rosario cuando éramos niños con nuestros padres y hermanos. Ahora más que nunca, la Iglesia necesita un ejército de familias rezando el rosario juntas.

Este mes se cumplen 20 años desde que San Juan Pablo II escribió su Carta Apostólica sobre el rosario, *Rosarium Virginis Mariae*, y nos regaló los Misterios Luminosos. En esta carta, explicó la importancia de que las familias tomen el rosario:

*... la familia, célula de la sociedad, amenazada cada vez más por fuerzas disgregadoras, tanto de índole ideológica como práctica, que hacen temer por el futuro de esta fundamental e irrenunciable institución y, con ella, por el destino de toda la sociedad. En el marco de una pastoral familiar más amplia, fomentar el Rosario en las familias cristianas es una ayuda eficaz para contrastar los efectos desoladores de esta crisis actual. (6)*

*Además de oración por la paz, el Rosario es también, desde siempre, una oración de la familia y por la familia. Antes esta oración era*

*apreciada particularmente por las familias cristianas, y ciertamente favorecía su comunión. Conviene no descuidar esta preciosa herencia. Se ha de volver a rezar en familia y a rogar por las familias, utilizando todavía esta forma de plegaria...*

*La familia que reza unida, permanece unida. El Santo Rosario, por antigua tradición, es una oración que se presta particularmente para reunir a la familia. Contemplando a Jesús, cada uno de sus miembros recupera también la capacidad de volverse a mirar a los ojos, para comunicar, solidarizarse, perdonarse recíprocamente y comenzar de nuevo con un pacto de amor renovado por el Espíritu de Dios. (41)*

Estas palabras escritas por este santo Papa hace dos décadas todavía tienen el mismo peso hoy en día. Nuestra sociedad se está esforzando mucho por destruir a la familia, ¡pero tenemos el antídoto! Orar juntos, rezar el Santo Rosario juntos, en nuestros hogares es la manera más efectiva de mantener los ojos de nuestros hijos firmemente fijos en Jesús y María. Tómense el tiempo con sus familias este mes para sentarse y rezar el rosario. Tal vez rezar las cinco décadas puede ser demasiado para los más pequeños. Oren una década. Luego, lentamente, comiencen a ir a dos décadas y así sucesivamente. Expliquen cada misterio a sus hijos. Que queden atrapados en la maravilla de los misterios de la vida de Jesús. Hay tantas maneras creativas en las que podemos tomar el rosario como una familia sin importar cuán pequeños sean los niños. Rezo para que durante este mes de octubre todas nuestras familias comiencen lentamente a construir este "ejército de oración" con el Santo Rosario como nuestra arma espiritual para vencer los males de este mundo y guiarnos a todos a Jesús.

*Que Dios los bendiga a todos,*

## SOUND SYSTEM UPGRADES COMING SOON

We are aware of some problems with the speaker/sound system inside the church and are happy to share that system upgrades are now underway!

Our maintenance team is currently installing new exterior conduits which will allow us to run brand new cabling, replacing the existing older speaker cables which are buried deep underneath the marble floors.

The new cables, coupled with the addition of extra speakers and upgrades to our amplifiers and sound processors will provide a much clearer transmission of sound throughout the nave of the church.

We appreciate your patience over the last few months as we worked to identify the problem and address it with the best possible solution. While many of the parts have already arrived, the last few components are still on backorder. It is our hope to have the sound system upgrades completed sometime in October.

TWO THE PW LORD PHASORE AI

WPWEOPWERSOC

The Lord has revealed to the nations his saving power.

WP REVEALED TO PT

WP THE PNATIONSOWHISOSAVING

Remember that Mass is a prayer. How should you act during church to help you focus on prayer?

## Saint Therese the Little Flower

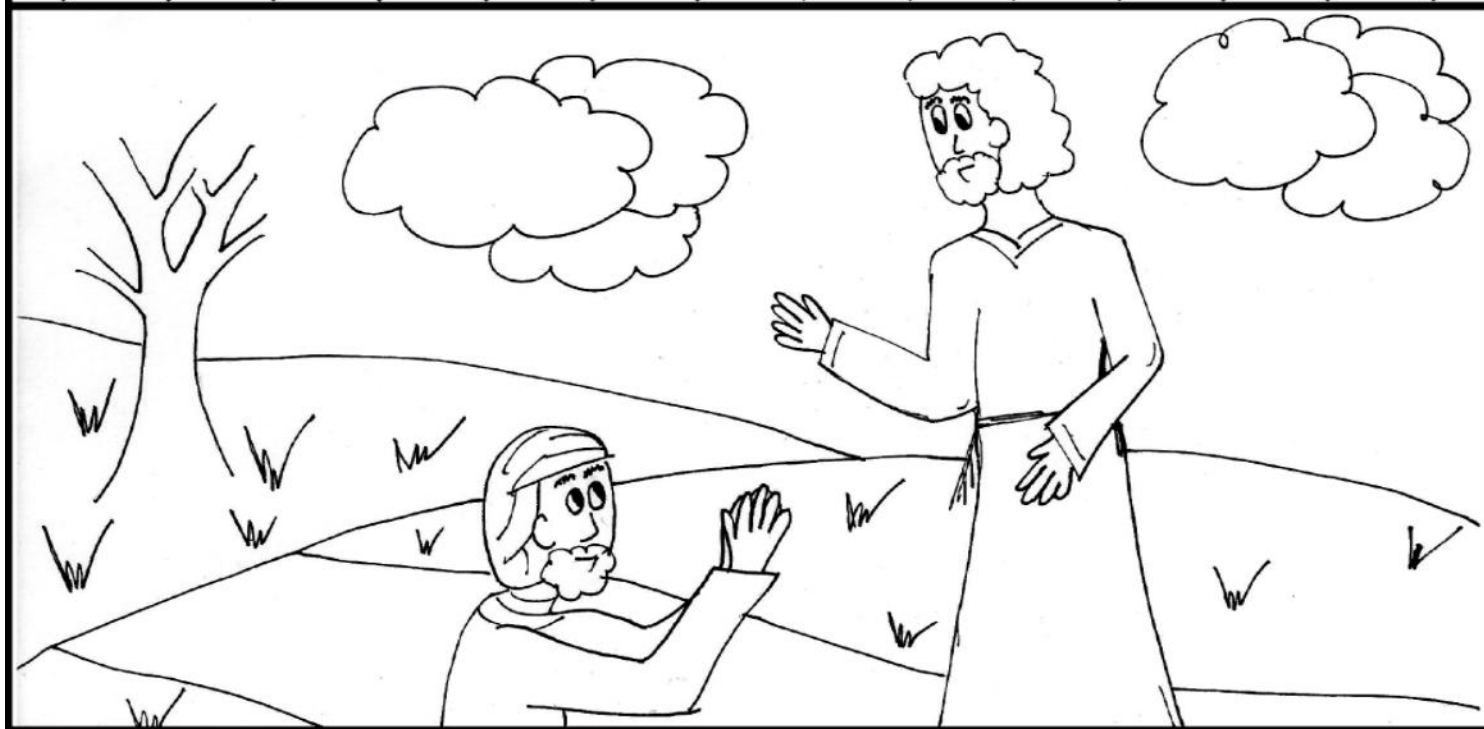

Saint Therese knew that she wanted to be a nun when she was a little girl. She visited Pope Leo XIII and begged to join the convent. He replied that she had to wait until she was older. When she turned 15 she was finally able to become a Carmelite Nun!

Saint Therese promised that when people prayed, she would send blessings from heaven that would fall like roses.

How many roses do you see falling on this page?

Please let me join the Carmelites! I want to serve God as a nun!

## Gospel

Jesus healed 10 people, but only one came back to say thank you! Remember to thank God for all of His gifts.
