FROM THE PASTOR'S DESK

My Dear Friends,

Today we celebrate the gift of our mothers. What is more precious than a mother? So precious that even our Lord chose one when he called the Blessed Virgin Mary. During this month in which we honor Mary our Mother, we honor all mothers too. Their sacrifice, their love, their comfort, and their reassuring presence always makes us feel loved.

Earlier this month when I was preaching to the school children about the month of Mary, I illustrated to them how much Mary loves and protects us by using this analogy: Imagine all the times as children that we got hurt riding a bike or playing a sport, and all we wanted in that moment was the embrace of our mother because it reminded us that everything would indeed be better.

This day we also remember all of our mothers who have been called home to heaven. As Christians, we see beyond death and feel their warm embrace from above. This day is bittersweet for so many who have lost a mother but rest assured that we are praying for the repose of their souls during our annual Mother's Day Novena of Masses. The gift of a mother transcends death itself. We recall all the sage advice they gave us and all the times they embraced us when we were hurting. Their prayers from above now lift us up because what mother could ever forget her child?

We also honor expectant mothers. I am always quick to point out that they do not become mothers when their child is born, but rather the moment the child was conceived. We see in our pregnant mothers the hope of new life. The Virgin Mary shares an intimate communion with them because for nine months she carried the Savior of the World in what Mother Teresa called "the world's longest Communion."

I also ask you to pray this day for all those who long to be mothers and all mothers who have a lost a child during pregnancy. Our community has always done such a beautiful job of embracing these mothers in their grief. We mourn with them and we pray with them that they may one day see the fruit of their womb. God, in His Divine Wisdom, has a plan for each of them. With our eyes firmly set on eternity, these mothers long to be with their children forever in heaven.

Each of these mothers would gladly give their lives for their children. This is the beauty of motherhood. A mother lays down her life for her children which is why I want to invoke the prayers of St. Gianna Molla on this day and her heroic virtue. She was a Catholic pediatrician in Italy in the mid-20th century, and I will let Catholic Online take her story from there:

In 1961, Gianna became pregnant with her fourth child. Toward the end of her second month of pregnancy, Gianna was struck with an unimaginable pain. Her doctors discovered

she had developed a fibroma in her uterus, meaning she was carrying both a baby and a tumor. After examination, the doctors gave her three choices: an abortion, which would save her life and allow her to continue to have children, but take the life of the child she carried; a complete hysterectomy, which would preserve her life, but take the unborn child's life, and prevent further pregnancy; or removal of only the fibroma, with the potential of further complications, which could save the life of her baby.

Catholic teaching affirms what medical science, the Natural Law, the Bible and unbroken Christian tradition affirm, the child in the womb has a fundamental Human Right to Life. Wanting to preserve her child's life, Gianna opted for the removal of only the fibroma. In fact, she was willing to give her own life to save the life of her child. Gianna pleaded with the surgeons to save her child's life over her own. She sought comfort in her prayers and her living faith. The child's life was saved, for which Gianna graciously thanked the Lord. After the operation, complications continued throughout her pregnancy, but Gianna spent the remainder of her pregnancy with an unparalleled strength and insistent dedication for her tasks as a mother and a doctor.

A few days before the baby was to be born, Gianna prayed the Lord take any pain away from the child. She recognized she may lose her life during delivery, but she was ready. Gianna was quite clear about her wishes, expressing to her family, "If you must decide between me and the child, do not hesitate: choose the child. I insist on it. Save the baby."

On April 21, 1962, Gianna Emanuela Molla was successfully delivered by Caesarean section. The doctors tried many different treatments and procedures to ensure both lives would be saved. However, on April 28, 1962, a week after the baby was born, Gianna passed away...

Gianna was beatified by Pope John Paul II on April 24, 1994, and officially canonized as a saint on May 16, 2004. Her husband and their children, including Gianna Emanuela, attended her canonization ceremony, making this the first time a husband witnessed his wife's canonization... During Gianna's canonization ceremony, John Paul II described her as, "a simple, but more than ever, significant messenger of divine love."

St. Gianna, pray for our mothers.

God bless you all,

Fr. Anthony

DEL ESCRITORIO DEL PARROCO

Mis Queridos Amigos,

AHoy celebramos el regalo de nuestras madres. ¿Qué es más precioso que una madre? Tan precioso que incluso Nuestro Señor eligió una cuando eligió a la Santísima Virgen Maria. Durante este mes en el que honramos a Maria nuestra Madre, también honramos a todas las madres. Su sacrificio, su amor, su consuelo y su presencia tranquilizadora siempre nos hacen sentir amados.

A principios de este mes, cuando estaba predicando a los niños de la escuela sobre el mes de Maria, les ilustre cuanto Maria nos ama y nos protege al usar esta analogía: imagínense todas las veces como niños que nos lastimamos al andar en bicicleta o practicar un deporte., y todo lo que queríamos en ese momento era el abrazo de nuestra madre porque nos recordaba que todo seria mejor.

Este día también recordamos a todas nuestras madres que han sido llamadas al cielo. Como cristianos, vemos más allá de la muerte y sentimos su abrazo cálido desde el cielo. Este día es agri dulce para muchos que han perdido a una madre, pero pueden estar seguros de que estamos orando por el descanso de sus almas durante nuestra Novena anual de misas del Dia de la Madre. El regalo de una madre trasciende la muerte misma. Recordamos todos los consejos sabios que nos dieron y todas las veces que nos abrazaron cuando estábamos lastimados. Sus oraciones desde el cielo ahora nos animan, ¿porque que madre podría olvidar a su hijo?

También honramos a las futuras madres. Siempre me apresuro a señalar que no se convierten en madres cuando nace su hijo, sino en el momento en que fue concebido. Vemos en nuestras madres embarazadas la esperanza de una vida nueva. La Virgen Maria comparte una comunión íntima con ellas porque durante nueve meses llevo al Salvador del Mundo en lo que la Madre Teresa llamo "la comunión mas larga del mundo".

También les pido que recen en este día por todas aquellas que anhelan ser madres y por todas las madres que han perdido un hijo durante el embarazo. Nuestra comunidad siempre ha hecho un trabajo tan hermoso al abrazar a estas madres en su dolor. Lloramos con ellas y rezamos con ellas para que algún día puedan ver el fruto de su vientre. Dios, en su Divina Sabiduría, tiene un plan para cada una de ellas. Con nuestros ojos firmemente fijos en la eternidad estas madres anhelan estar con sus hijos para siempre en el cielo.

Cada una de estas madres con mucho gusto daría la vida por sus hijos, por eso quiero invocar las oraciones de Santa Gianna Molla en este día y su virtud heroica. Ella era una pediatra católica en Italia a mediados del siglo XX, y dejare que Catholic Online tome su historia a partir de ahí:

En 1961, Gianna quedo embarazada de su cuarto hijo. Hacia el final de su segundo mes de embarazo, Gianna sufrió un dolor

inimaginable. Sus médicos descubrieron que había desarrollado un fibroma en el útero, lo que significa que llevaba un bebe y un tumor. Después del examen, los médicos le dieron tres opciones: un aborto, que le salvaría la vida y le permitiría seguir teniendo hijos, pero le quitaría la vida al niño que llevaba; una histerectomía completa, que le preservaría su vida, pero le quitaría la vida al feto y evitaría un embarazo en el futuro; o extirpar solo el fibroma con el potencial de complicaciones adicionales, que podrían salvar la vida de su bebe.

La enseñanza católica afirma lo que afirman la ciencia médica, la Ley Natural, la Biblia y la tradición Cristiana inquebrantable, que el niño en el útero tiene un derecho humano fundamental a la vida. Queriendo conservar la vida de su hijo, Gianna opto por la eliminación solamente del fibroma. De hecho, estaba dispuesta a dar su propia vida para salvar la vida de su hijo. Gianna le rogo a los doctores que salvaran la vida del bebe por encima de la de ella. Ella busco consuelo en sus oraciones y su fe viva. La vida del niño fue salvada, por lo cual Gianna agradeció al Señor. Después de la operación, las complicaciones continuaron durante su embarazo, pero Gianna paso el resto de su embarazo con una fuerza incomparable y una dedicación insistente para sus tareas como madre y doctora. Unos días antes de que naciera el bebe, Gianna rezo para que el Señor le quitara cualquier dolor que pudiera tener el bebe. Reconoció que podría perder la vida durante el parto, pero ella estaba lista. Gianna fue muy clara acerca de sus deseos expresando a su familia: "Si tienen que decidir entre el niño y yo, no lo duden: elijan al niño. Yo insisto en ello. Salven al bebe".

El 21 de abril del 1962, Gianna Emanuela Molla nació con mucho éxito por cesárea. Los médicos probaron muchos tratamientos y procedimientos diferentes para garantizar que se salvaran ambas vidas. Sin embargo, el 28 de abril del 1962, una semana después del nacimiento del bebe, Gianna falleció . . .

Gianna fue beatificada por el Papa Juan Pablo 11 el 24 de abril del 1994 y canonizada oficialmente como santa el 16 de mayo del 2004. Su esposo y sus hijos, incluyendo a Gianna Emanuela, asistieron a su ceremonia de canonización, por lo que fue la primera vez que un esposo fue testigo de la canonización de su esposa. . . Durante la ceremonia de canonización de Gianna, Juan Pablo 11 la describió "una simple, pero más que nunca, mensajera significativa del amor divino."

Santa Gianna, reza por nuestras madres.

Que Dios los bendiga a todos,

Fr Manny

Carrollton is a Catholic, independent college preparatory day school in Miami, educating girls and young women ages 3-18. The only Pre-K-12 all girls' school in the state of Florida, Carrollton provides a challenging academic environment that embraces students of diverse cultural, religious, and socio-economic backgrounds. We develop confident young women who are responsible, creative, and compassionate by encouraging them to become risk-takers, seek challenges, and develop leadership. With over 60 years in the Miami community, and over 220 years of Sacred Heart tradition, we are committed to excellence in education and believe that only a total education inclusive of spiritual, intellectual, emotional, and physical challenges can be called excellent.
