## FROM THE PASTOR'S DESK

### *My Dear Friends:*

In the Old Testament towards the end of the Book of Deuteronomy, Moses is coming to the end of his life and is preparing the people of Israel to enter the Promised Land. He is pleading with the people he has led for 40 years through the desert to follow the precepts of the Lord so that they may prosper in their new land, but it is the way that Moses phrases this faithfulness to the Lord that has been immortalized through the ages: "I have set before you life and death, the blessing and the curse. Choose life, then, that you and your descendants may live... (Deuteronomy 30:19)." What was true at the end of the Exodus experience for the Israelites over 3000 years ago holds true for us today. We have before us life and death. Which will we choose?

On this Respect Life Sunday, there is an urgency to the choice that God presented to his people and also presents to us. This Respect Life Sunday is different because next month we have before us on our election ballot an amendment to the state constitution that literally places before us the choice between life and death. Amendment 4 seeks to enshrine the right to an abortion into our state constitution thereby making legal the intentional killing of unborn children. As a Catholic people, we must rise up and defeat this by voting NO on Amendment 4.

Just as in the time of Moses, so it is also in our time, there are those who practice deceit. The Evil One, the father of lies, seeks to deceive us into thinking that the language on the ballot is appealing. What we as Catholics, and any people of good will, seek to do is not only protect the life of an unborn child, but also protect the life of the mother as well. And by this point of the column, you may be asking yourself, "Why is Father Manny getting involved in politics?" I'm not. As your pastor, it is my solemn duty and obligation to point out the lies present in society, to call out sin, and to form your consciences so that together we may build up the Kingdom of God here on earth. To borrow a phrase from Archbishop Wenski, "Catholics are nevertheless to engage themselves in the public square and do so coherently and unapologetically. To bear witness is our duty as faithful Catholics – and it is our right as faith filled citizens. Vote "no" on Amendment 4!"

The times we are living in compel us to be unapologetic in our Catholicism which is why we must spread the word and urge others to "VOTE NO ON 4!" As Catholics, we seek to create what St. John Paul II called a "culture of life," and we seek to take care of the children not only when they are inside of their mother's womb, but also once they are born. We aim to support mothers in raising their children. This is why every year our parish hosts a Respect Life Brunch to financially support the South Dade Pregnancy Center in helping pregnant mothers in their decision to choose life for their babies. Today, we are blessed that our Respect Life fundraising goal has been exceeded, so the brunch is free of charge at Comber Hall after our morning Masses. There will be a box for you to make a donation, if you wish.

Finally, I want to end with a simple word: mercy. In my 22 years of priesthood, I have sat with many women who have had abortions. All their stories are different and heartbreaking, but they come to a priest, they come to the Church, they come to us, looking for God's mercy, and we must embrace them as God our Father would. The Church does so much that goes unnoticed to support these women. There's Project Rachel that gives them counseling and offers retreats of healing. If you are in need of healing beyond the confessional because of an abortion, you can call Project Rachel's confidential hotline at 888-456-4673.

We are fighting as a Church to defeat Amendment 4 because we know the pain that abortion inflicts on mothers and on fathers and families who go through this painful ordeal. Last year, our Florida Bishops wrote that we want to create a culture where we make abortion unthinkable. This journey into the promised land of the culture of life begins today. We have before us life and death. Choose life! Vote NO on Amendment 4!

*God bless you all,*

## DEL ESCRITORIO DEL PÁRROCO

*Mis queridos amigos,*

En el Antiguo Testamento, hacia el final del Libro de Deuteronomio, Moisés está llegando al final de su vida y está preparando al pueblo de Israel para entrar en la Tierra Prometida. Está suplicando al pueblo que ha guiado durante 40 años a través del desierto que sigan los preceptos del Señor para que puedan prosperar en su nueva tierra, pero es la forma en que Moisés expresa esta fidelidad al Señor la que ha sido inmortalizada a través de los siglos: "He puesto delante de ti la vida y la muerte, la bendición y la maldición. Escoge, pues, la vida, para que vivas tú y tu descendencia... (Deuteronomio 30:19)". Lo que era verdad al final de la experiencia del Éxodo para los israelitas hace más de 3000 años es verdad para nosotros hoy. Tenemos ante nosotros la vida y la muerte. ¿Cuál elegiremos?

En este Domingo de Respeto a la Vida, hay una urgencia en el escoger que Dios presentó a su pueblo y también nos presenta a nosotros. Este Domingo de Respeto a la Vida es diferente porque el mes que viene tendremos ante nosotros en la boleta electoral una enmienda a la constitución estatal que literalmente nos pone a escoger entre la vida y la muerte. La Enmienda 4 busca consagrar el derecho al aborto en nuestra constitución estatal, legalizando así el asesinato intencional de niños no nacidos. Como pueblo católico, es nuestro deber levantar la voz y derrotar esto votando NO a la Enmienda 4.

Así como en el tiempo de Moisés, también en nuestro tiempo hay quienes practican el engaño. El Maligno, el padre de las mentiras, busca engañarnos para que pensemos que el lenguaje de la enmienda es atractivo. Lo que nosotros como católicos, y cualquier persona de buena voluntad, buscamos hacer no es sólo proteger la vida de un niño no nacido, sino también proteger la vida de la madre. Y a esta altura de la columna, puede que se esté preguntando: "¿Por qué el Padre Manny se involucra en la política?" Es que esto no tiene nada que ver con la política. Como su pastor, es mi solemne deber y obligación señalar las mentiras presentes en la sociedad, denunciar el pecado y formar sus conciencias para que juntos podamos construir el Reino de Dios aquí en la tierra. El Arzobispo Wenski nos dice, "los católicos deben participar en la plaza pública y hacerlo de manera coherente y sin disculpas. Dar testimonio es nuestro deber como católicos fieles - y es nuestro derecho como ciudadanos llenos de fe. ¡Vote "no" a la Enmienda 4!"

Los tiempos en los que vivimos nos obligan a no pedir disculpas por nuestro catolicismo, por lo que debemos regar la voz e instar a otros a "¡VOTAR NO A LA 4!" Como católicos, buscamos crear lo que San Juan Pablo II llamó una "cultura de la vida", y buscamos cuidar a los niños no solo cuando están dentro del vientre de su madre, sino también una vez que nacen. Nuestro objetivo es apoyar a las madres en la crianza de sus hijos. Por eso, cada año nuestra parroquia organiza un desayuno de Respeto a la Vida para apoyar económicamente al South Dade Pregnancy Center en su tarea de ayudar a las madres embarazadas en su decisión de elegir la vida para sus bebés. Hoy tenemos la bendición de que nuestra meta de recaudación de fondos de Respeto a la Vida se haya superado, por lo que el desayuno es gratuito en Comber Hall después de nuestras misas matutinas. Habrá una caja para que usted haga una donación, si lo desea.

Por último, quiero terminar con una palabra sencilla: misericordia. En mis 22 años de sacerdocio, me he sentado con muchas mujeres que han tenido abortos. Todas sus historias son diferentes y desgarradoras, pero acuden a un sacerdote, acuden a la Iglesia, acuden a nosotros, buscando la misericordia de Dios, y debemos aceptarlas como lo haría Dios nuestro Padre. La Iglesia hace tanto que pasa desapercibido para apoyar a estas mujeres. Existe el Proyecto Raquel que les brinda asesoramiento y ofrece retiros de sanación. Si necesita sanación más allá del confesionario debido a un aborto, puede llamar a la línea directa confidencial de Project Raquel al 888-456-4673.

Estamos luchando como Iglesia para derrotar la Enmienda 4 porque conocemos el dolor que el aborto inflige a las madres, a los padres y a las familias que pasan por esta dolorosa experiencia. El año pasado, nuestros obispos de Florida escribieron que queremos crear una cultura en la que hagamos que el aborto sea impensable. Este viaje hacia la tierra prometida de la cultura de la vida comienza hoy. Tenemos ante nosotros la vida y la muerte. ¡Elija la vida! ¡Vote NO a la Enmienda 4!

# NO ON 4

## AMENDMENT 4 FACT SHEET — WHY TO VOTE NO!

**Ballot Title:** Amendment to Limit Government Interference with Abortion

**Ballot Summary:** No law shall prohibit, penalize, delay, or restrict abortion before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider. This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion.

### Why Floridians Should Vote NO on Amendment 4

Amendment 4 would enshrine UNREGULATED ABORTION in our state constitution, making Florida one of the MOST PRO-ABORTION states in the nation. The amendment language is MISLEADING, and its proposed outcomes are DANGEROUS.

- ◇ **PUTS WOMEN AT RISK:** Amendment 4 would jeopardize existing laws and prohibit new ones that voters on both sides of the abortion issue support, including health and safety laws that protect women.
- ◇ **ALLOWS SECOND AND THIRD TRIMESTER ABORTIONS:** Though not defined in the amendment, "viability" is defined in Florida law as the stage of development when the life of a fetus is sustainable outside the womb (Ch. 390.011(15)), generally accepted to be 22-24 weeks of pregnancy, or about 6 months.
- ◇ **CREATES A BROAD "HEALTH" LOOPHOLE:** "Patient's health" is not defined in the amendment, allowing post-viability, extremely late-term abortions for treatable, temporary health concerns. Emotional health would justify an abortion when a child could survive outside the womb.
- ◇ **WEAKENS MEDICAL DOCTOR REQUIREMENT:** "Healthcare providers" – not just physicians – could determine if an abortion is "necessary" to protect the mother's "health." Even some employees of abortion clinics, such as nurses and counselors, could approve late-term abortions.
- ◇ **ELIMINATES PARENTAL CONSENT:** While preserving parental notification in our state constitution (Article X, Section 22), the amendment would invalidate the current law that requires parental consent for a minor to have an abortion (Ch. 390.01114(5)), making abortion the only medical decision for which parents have no say.

It's common but often unspoken - to grieve the loss of a child by abortion. It may seem that nothing can fill the emptiness of one's heart. Be assured that there is forgiveness, hope and healing. Many women and men have participated in diocesan Project Rachel Ministries and been transformed by God's merciful love.

Project Rachel is a ministry of the Catholic Church in the U.S. to those who have been involved in abortion. It is a diocesan-based network of specially trained priests, religious, counselors, and laypersons who provide a team response of care for those suffering in the aftermath of abortion. In addition to referring for Sacramental Reconciliation, the ministry provides an integrated network of services, including pastoral counseling, support groups, retreats and referrals to licensed mental health professionals. It is open to all - people of all faiths or no faith.
